ARBITRATION PROVISION

As used in this provision, "**You**" and "**Your**" means the person or persons named in this **Contract**, and all of his/her heirs, survivors, assigns and representatives. And "**We**" and "**Us**" shall mean the Obligor identified on the **Registration Page** and shall be deemed to include all of its agents, affiliates, predecessors in interest, successors and assigns, and any retailer or distributor of its products, and all of the dealers, licensees and employees of any of the foregoing entities.

Please read this arbitration provision ("provision") carefully. It affects **Your** rights.

Most customer concerns can be quickly and satisfactorily resolved by calling Toco Warranty Corporation at (855) 298-8626. **In the unlikely event that Your matter is not resolved or if We have been unable to resolve a dispute, We have with You after attempting to do so informally, You and We each agree to resolve those disputes through binding arbitration or small claims court instead of in courts of general jurisdiction.** Arbitration is more informal than a lawsuit in court, it uses a neutral arbitrator instead of a judge or jury, it allows for more limited discovery than in court and is subject to very limited review by courts. Arbitrators can award the same damages and relief as a court. **Any arbitration under this Contract will take place on an individual basis; class arbitrations and class actions are not permitted. For any non-frivolous claim that does not exceed \$75,000.00, We will pay all costs of arbitration.** Moreover, in arbitration **You** are entitled to recover attorneys' fees to at least the same extent as **You** would in court. In addition, under certain circumstances (explained below), **We** will pay **You** more than the amount of the arbitrator's award and will pay **Your** attorney (if any) twice his/her reasonable attorneys' fees if the arbitrator awards **You** an amount that is greater than what **We** have offered **You** to settle the dispute.

ARBITRATION AGREEMENT

- 1) **We** and **You** agree to arbitrate **all disputes and claims** that arise with respect to the other. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:
- claims arising out of or relating to any aspect of the relationship, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory;
 - claims that arose before this or any prior Contract (including, but not limited to, claims relating to marketing);
 - claims that are currently the subject of purported class action litigation in which **You** are not a member of a certified class; and
 - claims that may arise after the termination of this **Contract**.

Notwithstanding the foregoing, either party may bring an individual action in small claims court. This arbitration agreement does not preclude **You** from bringing issues to the attention of federal, state, or local agencies. Such agencies can, if the law allows, seek relief against **Us** on **Your** behalf. **You agree that, by entering into this Contract, You and We are each waiving the right to a trial by jury or to participate in a class action.** This **Contract** evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This provision shall survive termination of the **Contract**.

- 2) A party who intends to seek arbitration must first send to the other, by certified mail, a written notice of dispute ("Notice"). The Notice to **Us** should be addressed to: Legal Department, Toco Warranty Corporation, 7324 Southwest Freeway, Suite 1900, Houston, TX 77074 ("Notice Address"). The Notice must: (a) describe the nature and basis of the claim or dispute; and (b) set forth the specific relief sought ("Demand"). If **We** and **You** do not reach an agreement to resolve the claim within thirty (30) days after Notice is received, **You** or **We** may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by **Us**, or **You** shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which **You** or **We** are entitled. **You** may contact us to obtain a form to initiate arbitration.
- 3) After **We** receive notice at the Notice Address that **You** have commenced arbitration, **We** will promptly reimburse **You** for **Your** payment of the filing fee, unless **Your** claim is greater than \$75,000.00. The arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this **Contract**, and will be administered by the AAA. The AAA Rules are available online at www.adr.org, by calling the AAA at (800) 778-7879, or by writing to the Notice Address. The arbitrator is bound by the terms of this **Contract**. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the provision are for the court to decide. Unless **We** and **You** agree otherwise, any arbitration hearings will take place in the county of **Your** billing address. If **Your** claim is for \$10,000.00 or less, **We** agree that **You** may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If **Your** claim exceeds \$10,000.00, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written

decision sufficient to explain the essential findings and conclusions on which the award is based. Except as otherwise provided herein, **We** will pay all AAA filing, administration, and arbitrator fees for any arbitration initiated in accordance with the notice requirements above. If, however, the arbitrator finds that either the substance of **Your** claim or the relief sought in the Demand is frivolous or brought for an improper purpose (under the standards set forth in Federal Rule of Civil Procedure 11(b)), payment of all such fees will be governed by the AAA Rules. In such case, **You** agree to reimburse **Us** for all monies previously disbursed by **Us** that are otherwise **Your** obligation under the AAA Rules.

In addition, if **You** initiate an arbitration in which you seek more than \$75,000.00 in damages, payment of these fees will be governed by the AAA rules.

4) If, after finding in **Your** favor in any respect on the merits of **Your** claim, the arbitrator issues **You** an award that is greater than the value of the last written settlement offer made by **Us** before an arbitrator was selected, **We** will:

- pay **You** the amount of the award or \$10,000.00 ("the alternative payment"), whichever is greater; and
- pay **Your** attorney, if any, twice the amount of attorneys' fees, and reimburse any expenses (including expert witness fees and costs) that **Your** attorney reasonably accrues for investigating, preparing, and pursuing **Your** claim in arbitration ("the attorney premium").

If **We** did not make a written offer to settle the dispute before an arbitrator was selected, **You** and **Your** attorney will be entitled to receive the alternative payment and the attorney premium, respectively, if the arbitrator awards **You** any relief on the merits. The arbitrator may make rulings and resolve disputes as to the payment and reimbursement of fees, expenses, and the alternative payment and the attorney premium at any time during the proceeding and upon request from either party made within fourteen (14) days of the arbitrator's ruling on the merits.

5) The right to attorneys' fees and expenses discussed in paragraph (4) supplements any right to attorneys' fees and expenses **You** may have under applicable law. Thus, if **You** would be entitled to a larger amount under the applicable law, this provision does not preclude the arbitrator from awarding **You** that amount. However, **You** may not recover duplicative awards of attorneys' fees or costs. Although under some laws **We** may have a right to an award of attorneys' fees and expenses if it prevails in an arbitration, **We** agree that **We** will not seek such an award.

6) The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. **YOU AND WE AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR/OUR INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.** Further, unless both **You** and **We** agree otherwise, the arbitrator may not consolidate more than one person's claims and may not otherwise preside over any form of a representative or class proceeding. If this provision is found to be unenforceable, then the entirety of this provision shall be null and void.

7) Notwithstanding any provision in this **Contract** to the contrary, **We** agree that if **We** make any future change to this provision (other than a change to the Notice Address) during **Your Contract**, **You** may reject any such change by sending us written notice within thirty (30) days of the change to the Arbitration Notice Address provided above. By rejecting any such change, **You** are agreeing that **You** will arbitrate any dispute between **Us** in accordance with the language of this provision.

Any change by Purchaser (by way of deletion, modification, supplementation or otherwise), to the preprinted portion of this Agreement shall render the Agreement voidable, at Toco's option.

ASSIGNMENT: Toco may, with or without notice to Purchaser, assign or pledge its rights, title, and interest in, to and under this Agreement and the power of attorney herein described. Upon written notice from any such assignee, Purchaser shall make all payments to such assignee without defense, offset or counterclaim.

WAIVERS, REMEDIES, ENTIRE AGREEMENT: Toco's failure to require strict performance of any provision hereof or to exercise any of its rights hereunder, shall not be construed as a waiver of relinquishment of any future rights under such provision, but the provision shall continue and remain in full force and effect. The exercise of any rights or remedies by Toco under this Agreement is cumulative and shall not preclude Toco from exercising any other right or remedy it may have hereunder or at law. Each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law. If any provision hereof is held to be unenforceable or invalid under applicable law, the unenforceability or invalidity of such provision shall not impair the validity or enforceability of the remaining provisions hereof.
